

## **WBU-News Committee Mandate**

In setting up the Committee, the Secretaries and Directors General of our respective Unions commit to facilitating the sharing of our issues, with a particular focus on fact-based reporting, journalism that informs and educates, journalist education and training, freedom of journalism, safety of our journalists and crews both in the field and online, disinformation and the declining trust in news media, and access to events and related issues.

They also recognize the importance of understanding one another's regional issues, supporting each other where possible and the importance of contributing to journalistic related statements issued by the WBU and advising Union(s) leadership of the views of the journalistic professionals in their Unions.
